TEACHING

University of Florida-Curriculum Developer-Life Care Planning Program.

University of Florida-Instructor for Life Care Planning Online and On site continuing education program beginning February 1, 2006.

Senior Faculty- Kaplan University Healthcare Pathway's, Life Care Planning Program. Chairperson-Board of Advisors for the Life Care Planning Program

Clinical Professor of Rehabilitation Counseling- Medical College of Virginia, Virginia Commonwealth University, Department of Rehabilitation Counseling 2002 to Present.

Courtesy Faculty- Department of Rehabilitation Counseling- College of Health Related Professions, University of Florida

1985-Present

Kaplan University-Curriculum Development for Life Care Planning Training Program- Beginning July 2003

Kaplan University -Curriculum Development for Case Management Program in the Healthcare Pathways program, scheduled to begin April 2004.

Kaplan University -Curriculum Development for Geriatric Care Management Program in the Healthcare Pathways program, scheduled to begin in the summer of 2004.

FACULTY MEMBER- Re-contracted in 2000 with Intelicus/University of Florida to teach in this program: Intelicus/University of Florida Certificate Program in Life Care Planning and Catastrophic Case Management - A two year post-graduate training program in medical case management and life care planning affiliated as a certificate program with the Department of Rehabilitation Counseling, College of Health Related Professions, University of Florida.

Track 1 - Introduction to and Basics of Life Care Planning (Four-Five 16 hour courses per year)

Content includes but not limited to Basic Life Care Methodology; Research

Methodology;

Interpreting Research Literature; Ethics; Analyzing the Life Care Plan.

Annual Life Care Planning and Case Management Conference

Advanced Forensic Consultation Conference

Professor Clinical Rehabilitation-Louisiana State University Medical Center-November 1996 to 1999). Includes course lectures, continuing education programs, Life Care Planning Clinic development, Life Care Planning software and database development and publications.

FACULTY MEMBER through September 1996 (1994-1995 FACULTY CHAIR)- Rehabilitation Training Institute/University of Florida Certificate Program in Life Care Planning and Catastrophic Case Management - A two year post-graduate training program in medical case management and life care planning affiliated as a certificate program with the Department of Rehabilitation Counseling, College of Health Related Professions, University of Florida.

Track 1 - Introduction to and Basics of Life Care Planning

Track 2 - Vocational Assessment and Testing for All Disabilities

Track 4 - Rehabilitation Testimony

Track 5 - Spinal Cord

Track 6 - Brain Damage

Track 7 - Multiple Orthopedics

Track 8 - Business Principles, Malpractice, and Professional Ethics

Faculty- Department of Rehabilitation Counseling, University of Florida. 1976-1978 while in Doctoral program. Taught Research Methodology and Statistical Analysis for the Social Sciences in the Masters Program.

SPECIAL TRAINING AND CONTINUING EDUCATION (PARTIAL LIST)

- Through Course attendance, teaching, submitted and peer reviewed research or peer reviewed

journal articles, peer review of submitted chapter contributions, or published textbooks I have exceeded the requirement of fifty hours of continuing in 2005. This included three sixteen hour workshops presented for the University of Florida/MediPro's certificate program in Life Care Planning. Teaching in Kaplan Universities Life Care Planning Program. A Presentation on Daubert and the Expert's Role as an Educator continuing presented at the International Association of Rehabilitation Professionals.

- International Conference on Life Care Planning- Atlanta 2006
- International Association of Rehabilitation Professionals-Annual Conference-2004 through 2006
- IARP Forensic Conference-Life Care Planning Section-2004 through 2006.
- International Life Care Planning Conference-San Francisco-September 2005
- International Life Care Planning Conference-New Orleans-October, 2004
- International Association of Rehabilitation Professionals-Arizona-May,2004
- Through Course attendance, teaching, submitted and peer reviewed research or peer reviewed journal articles, peer review of submitted chapter contributions, or published textbooks I have exceeded the requirement of fifty hours of continuing education annually in each year of practice from 1972 through 2003.
- I have researched and taught numerous courses for the University of Florida, LSU Medical Center's Department of Rehabilitation and Kaplan Universities' Healthcare Pathways Program in the following areas over the past sixteen years:
 - Introduction to Life Care Planning
 - Basic Tenets and Methodology of Life Care Planning
 - Life Care Planning and Case Management In:
 - Spinal Cord Injury
 - Brain Injury
 - Pediatric Traumatic onset Brain Injury
 - Birth Onset Brain Injury
 - Burns
 - Amputations
 - Aids
 - Pulmonary Impairment and Occupational Illness
 - Cardiovascular Impairments
 - Severe, Multiple Orthopedic Impairments
 - Psychological Impairments
 - Research Design and Statistical Methodology
 - Understanding Research Methodology and Interpreting Research Literature
 - Life Expectancy Issues and Catastrophic Disability
 - Professional Standards and Ethics

A partial list of conferences and programs attended follows:

- Long term Opioid Therapy in Management of Chronic Pain-Int'l LCP Conf. '03
- Aging with Catastrophic Disability-Int'l LCP Conf. '03
- The Educators Role Continues-Meeting the Demands Under Daubert-Presentor International Life Care Planning Conference October 9, 2003.
- Medicare Set-Aside Trusts-New Orleans-June 2003
- Medical Errors (For the Mental Health Mental Health Counselor)
- Domestic Abuse (Requirement for Mental Health Licensure)
- National Institute of Health-College on Drug Dependence-Quebec-Summer 2002
- Life Care Planning Summit 2002
- Advanced Practice Conference Research Methodology for the Life Care Planner, Spring 2002
- Annual Life Care Planning Conference New Orleans (featured speaker) October, 2001
- Annual Life Care Planning Conference New Orleans (featured speaker) October, 2000
- Life Care Planning Summit 2000

- Annual Life Care Planning Conference New Orleans October 1998

- AIDS Case Management (4/1992) (Meets HIV requirements of the Mental Health Licensure)
- The International Brain Injury Symposium - New Orleans, LA (3/1991)
- National Head Injury Foundation - Chicago, IL (12/1989)
- Rehabilitation Management of the AIDS Patient - Rehabilitation Institute of Chicago (3/1989)
- First International Head Injury Symposium - Advances in Clinical Practice, Mediplex Rehab-Bradenton (1/1989)
- First Moscow Medical Institute - 200 hours of lectures, patient demonstrations, and training in Soviet Neuropsychological Assessment Techniques (3/1988)
- National Head Injury Foundation - San Diego, CA (12/1987)
- American Psychological Association - New York, NY (8/1987)
- National Head Injury Foundation - Chicago, IL (12/1986)
- First Moscow Medical Institute - 75 hours of lectures, patient demonstrations, training in Soviet Neuropsychological Assessment and Rehabilitation (12/1986)
- CRC - Chicago, IL (7/1986)
- FARPPS - Miami, FL (5/1986)
- Course on Cerebral Palsy. Tufts - New England University Medical Center (1985)
- Seminar on the Brain Injured Adult with Special Pediatric Session. Medical College of Virginia (1985)
- The Challenge of the Traumatically Brain Injured. National Head Injury Foundation, Boston (1984)
- International Symposium on the Traumatic Brain Injured Adult and Child. Tufts University School of Medicine (1981)
- Spinal Cord Institute, American Academy of Orthopedic Surgeons (1973)
- Training Program in Prosthetics and Orthotics, Emory University Medical School (1973)
- Second Quarterly Spinal Cord Seminar, Jackson Memorial Hospital (1973)
- Seminar - Rehabilitation of the Spinal Cord Injured, Morgan Rehabilitation Center, Florida Hospital (1973)

EXPERIENCE

PAUL M. DEUTSCH & ASSOCIATES, P.A.

***Orlando, Florida
6/1976 - Present***

Rehabilitation Counseling, catastrophic case management, life care planning professional training, patient and family disability education, mental health counseling, consultation, research, and writing represent the primary focus of this practice.

Foundation for Life Care Planning Research Inc.

***Orlando, Florida
11/2001-Present***

Associated with the Medical College of Virginia, Virginia Commonwealth University, Georgia State University and University of Florida, the Foundation was established as a nonprofit research group. The focus is on Life Care Plan validation studies and rehabilitation research. Also being developed in the foundation is a research mentoring program and a standards commission. The current Board of Directors includes Paul M. Deutsch Ph.D., Roger Weed Ph.D., Terry Winkler M.D., Patti McCollom MS,RN, Chris Reid Ph.D., and Susan Riddick-Grisham RN. Current doctoral dissertation students represent Ohio State University, Georgia State University, University of Florida and Barry University.

Learning Applications Inc.

***Orlando, Florida
1991- 2000***

A research and development company responsible for developing Media Matrix, a multi-media, computer based tutorial system. The system utilizes multiple depths of material presentation including text, outlines, bullet charts, video, graphics and other resources for education. The system is geared toward use in University based courses, distance education,

patient and family education and textbook replacement.

FAIRVIEW SHORES

Staff Rehabilitation Counselor/Mental Health Counselor

Orlando, Florida

6/1988 - 01/96

Long-term Supported Living Program for the Head Injured. Facility provided both a residential and a day component with full supervision, vocational programming, supported work programs, recreational therapy and psychological support.

PAUL M. DEUTSCH PRESS, INC.

Owner/Chairman

Orlando, Florida

(Sold 1992)

Scientific publications with a focus on medicine, psychology, rehabilitation, and the health related professions. A significant emphasis had been placed on bringing research out of the former Soviet Union and publishing it for the western scientific community.

REHABILITATION TRAINING INSTITUTE

Continuing Education/Training

Orlando, Florida

1986 - November 1, 1996

Rehabilitation Professionals (See Teaching - Faculty Chair.)

THE HEAD INJURY REHABILITATION CENTER, INC.

Co-Director

Orlando, Florida

1983 - 1987

Co-Director of a community based, group oriented head injury rehabilitation program. Involved in cognitive remediation, group and individual counseling and vocational rehabilitation. Also involved in development of a transitional employment program and placement of the brain injured. Includes responsibility for individual and group therapy as well as case management.

THE CENTER FOR REHABILITATION, INC.

Director/Rehabilitation Counselor

Orlando, Florida

1977 - 1980

Responsible for general coordination and administrative duties. Performed vocational rehabilitation evaluations and maintained responsibility for the design and administering of rehabilitation programs. Also responsible for counseling in both group and individual settings. Worked with handicapped individuals in a multi-disciplinary approach to chronic pain management. Extensive experience and research on chronic pain and chronic disability syndromes were developed through this work experience.

REHABILITATION RESOURCES, INC.

Rehabilitation Specialist

Orlando, Florida

1973 - 1976

Performed evaluations to determine capacities of handicapped individuals. Provided counseling, career guidance and general follow-up activities including job placement, development of wage and employment data, and maintenance of job data banks.

DIVISION OF VOCATIONAL REHABILITATION

Counselor II

Orlando, Florida

1972 - 1973

Caseload limited to severe disabilities, including spinal cord injured, stroke, brain injury, and amputations. Responsible for the work evaluation program at Florida Hospital, Morgan Rehabilitation Center. Responsible for review of area employers and placement of clients.

Approximately forty-five clients over a fifteen month period were placed in training programs and jobs.

VETERAN'S ADMINISTRATION HOSPITAL
Psychology Technician

Gainesville, Florida
1971 - 1972

CONSULTANT WORK

- University of Florida-Curriculum Development. Developer of the Life Care Planning Curriculum to open on February 1, 2006.
- Kaplan University Curriculum Developer-Life Care Planning Program; Case Management Program; Elder Care Management Program. All Part of the Health Care Pathways Program for the University.
- Consultant/Trainer for the Case Management Association in the United Kingdom - Training in Life Care Planning and Case Management - April 1994.
- Appointed by the first Deputy Prime Minister of the USSR to lead a project on the development of the first rehabilitation centers in the USSR. This project ended with the coup and subsequent breakup of the Union.
- Liaison between the Barotshvili Institute, Tbilisi, Georgia, USSR, and the joint University of Florida/Rollins College Program to develop joint research projects and shared graduate student training (1987-1990).

Includes extensive data collection, on-site surveys and research correlation. The purpose of this study has been to establish extensive data on the needs of the profoundly retarded, multi-handicapped individual. Alternative developmental models for the life-time care of this type of individual, and extensive profiles of treatment modalities in the areas of speech pathology, occupational therapy, physical therapy, education, audiological and visual services, music therapy, family counseling and education programs, psychosocial assessments, and all other pertinent therapeutic intervention specialties. In addition, extensive reviews of equipment and accessory needs, supply needs, educational games and toys, medical services, nursing and home care services, as well as other ancillary services have been included in this research. A review of the major State and Federal legislation, along with licensing requirements for ICF/MR facilities has also been included.

CERTIFICATION

- Licensed under the Psychology Practices Act, State of Florida (Chapter 491) as a Mental Health Counselor (License Number MH0000117).*
- Board Certified by the Commission on Rehabilitation Counselor Certification #01993.
- Board Certified Case Manager, Certification #00345.

- Board Certified Diplomate in Psychotherapy. The American Psychotherapy Association. Identification number 001020.
 - Board Certified Life Care Planner- Commission on Health Care Certification.
- * Mental Health Counseling as defined under Chapter 491: State of Florida:

(9) *The "practice of mental health counseling" is defined as the use of scientific and applied behavioral science theories, methods, and techniques for the purpose of describing, preventing, and treating undesired behavior and enhancing mental health and human development and is based on the person-in-situation perspectives derived from research and theory in personality, family, group, and organizational dynamics and development, career planning, cultural diversity, human growth and development, human sexuality, normal and abnormal behavior, psychopathology, psychotherapy, and rehabilitation. The practice of mental health counseling includes methods of a psychological nature used to evaluate, assess, diagnose, and treat emotional and mental dysfunctions or disorders (whether cognitive, affective, or behavioral), behavioral disorders, interpersonal relationships, sexual dysfunction, alcoholism, and substance abuse. The practice of mental health counseling includes, but is not limited to, psychotherapy, hypnotherapy, and sex therapy. The practice of mental health counseling also includes counseling, behavior modification, consultation, client-centered advocacy, crisis intervention, and the provision of needed information and education to clients, when using methods of a psychological nature to evaluate, assess, diagnose, treat, and prevent emotional and mental disorders and dysfunctions (whether cognitive, affective, or behavioral), behavioral disorders, sexual dysfunction, alcoholism, or substance abuse.*

The practice of mental health counseling may also include clinical research into more effective psychotherapeutic modalities for the treatment and prevention of such conditions.

(a) *Mental health counseling treatment includes, but is not limited to:*

1. *Counseling*
2. *Psychotherapy*
3. *Behavior modification*
4. *Consultation*
5. *Client advocacy*
6. *Crisis intervention*
7. *Providing needed information and education to clients.*
