RE: Adrianna Barrett

Dear Mr. Kenley:

As you are aware, a telephone conference was conducted between Dr. Michael Lyons, Consulting Physical Medicine and Rehabilitation Specialist and myself on October 2, 2008. Dr. Lyons completed his evaluation of Adrianna and a review of the initial Life Care Plan prepared on her behalf. After his review, he was able to provide his recommendations and outlined any revisions he felt were needed. The attached Life Care Plan has been revised to include all of Dr. Lyon's recommendations. Additionally, I received a response to correspondence requesting future treatment recommendations, from Adrianna's treating physician Dr. Destin Garrison. Dr. Garrison's recommendations have also been incorporated into this Revised Life Care Plan. Updated records from Sunny Acres Nursing Home were also reviewed in order to update Adrianna's medication.

The attached Revised Life Care Plan reflects all needed changes as recommended by Dr. Lyons and recommendations made by Dr. Garrison. Any changes made in the Life Care Plan have been designated as such, in order to make it easier for the economist to revise his figures.

After you have had the opportunity to review this Revised Life Care Plan, please feel free to contact me should you have questions.

Respectfully Submitted,

Paul M. Deutsch, Ph.D., CRC, CCM, CLCP, FIALCP
